Welcome from Ms. Beverly White

Greetings Family and Friends,

Thank you for sharing your evening with TCES. Our theme this year is “Dancing in the Rain”. During life we all have challenges, distractions, and obstacles. Some say that it is always something. I always add “and I love it when something is good”, but the truth is sometimes negatives happen.

TCES scholars and I pray want you to always remember that if you are doing your part things will work out. Our God tells us that all things work together for the good for those who love the Lord and those who are called according to His purpose. Yes, you will go through things in life, but He has us all. Keep trying even when things get hard. Remember we must press even when there is rain because rainbows follow.

Do not forget that at TCES we are family. Let’s purposely lift each other up and not tear each other down. Rain comes to everyone, and we need each other for love, encouragement, and motivation. Thank you for attending the Mr. and Miss Trinity Tiger Ball of 2023. We hope to see you next year.

Sincerely,

*Ms. Beverly White,
Visionary of In His Image*

MISSION STATEMENT

The mission of In His Image is to assist participants in understanding and reaching God’s plan by teaching them to be like Christ – as God has created man “In His image” – by offering Christ-centered physical, mental, social, and spiritual educational teachings and Biblical counseling.

VISION

The Vision of In His Image is to present to God a people who will pursue Christ-likeness, become like Christ, and be guided, counseled by the Holy Spirit to fulfill the purpose God predestined for them in life, and assist others in the world to be like Christ. In His Image wants to be recognized as a source in the upstate and surrounding areas, Ga., NC, and nationally for finding, developing, and positioning well prepared champions for Christ that impact the world for Jesus Christ.

Genesis 1: 26-27 KJV

26 And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth.

27 So God created man in his own image, in the image of God created he him; male and female created he them.

About Trinity Christian Educational School

Trinity Christian Educational School of In His Image non-profit is a Christian School targeting all students including those with learning, attention and/or mild emotional concerns, school dropouts, and/or persons needing to learn to read. Founded in 2004, Trinity Christian Education School is a member of the SC Christian School of Columbia SC.

The philosophy of TCES is a simple one, based on the elements of accomplishment. TCES recognizes that people have learning differences that may hinder their level of achievement in a traditional academic situation. With the right set of activities and individual attention, all students can achieve academic success in school. Success positively affects self-esteem. The students are taught to thrive spiritually, emotionally, and academically. The system is a multi-faceted approach to education, including a full complement of academic courses, plus a variety of extra-curricular activities and enrichment programs. Small class sizes enhance the academic experience. TCES graduates are educated spiritually, academically, emotionally, socially, and physically and motivated to go out in the world to duplicate the process and pursue their own purpose in life.

History of Mr. and Miss Trinity Tiger Ball

The Mr. and Miss Trinity Tiger Ball was inspired by the students enrolled in Trinity Christian Educational School in 2008-2009 who wanted In His Image to host a Prom for Trinity Christian Educational School. After prayer and consideration, the students were allowed to plan a formal dance that included the entire family.

In 2009-2010 our PHS President approached Ms. White with the idea of adding a King and Queen Contest to the Formal Dance. He proposed that the Contestants raise funds and dance at the Ball to support In His Image.

The Board and P.H.S. Parents supported the idea and thus planning was on its way for the First Annual Mr. and Miss Trinity Tiger Ball. The event was birthed to allow fellowship in a Christian environment, inspire families to support In His Image's services and Christian Education, build community awareness of In His Image, teach students public speaking skills, and raise funds to support Christian Education.

Ms. Beverly White is the daughter of Mr. and Mrs. Marion and Geraldine Lomax. She is a loving and caring mother to her children LeChelsea, LeDarrius, and LeAerialle White. Ms. White speaks with authority at In His Image Outreach and declares that everyone can manifest the image of Christ.

Ms. Beverly White began ministry at the age of 10 years old at Mt. Lebanon AME Church in Due West, SC. In August 1996 she was licensed as a minister at New Light Holiness Church in Conway SC. On April 21, 2013 she was installed as a Pastor of Promise Land Praise and Worship Center Anderson SC and ordained as an Apostle. God has used her to reach the hearts of many people during her life. She has a passion to speak the word of God with the power of the Holy Spirit.

Ms. White attended Coastal Carolina University where she received a Bachelor of Science Degree in Physical Education with an emphasis in Recreation. She resided in Conway S.C. for three years and began a career teaching Physical Education and Math in Horry County Schools and Managing Horry County's After School Programs. She also was a Recreational Specialist for Island Green Amenities.

Ms. White returned to the Upstate in 1997 when she was hired as a Recreational/Residential Counselor at Generations Group Home. She remained in her position at Generations Group Home until she was offered a position at Greenville County Commission on Alcohol and Drug as a Drug and Alcohol Counselor. Later she became the Director of Circle of Friends Therapeutic Child Treatment Division. There she enjoyed teaching Parenting Classes, researching the development of children born to mothers on alcohol and drugs, counseling families, NS facilitating groups, among many other responsibilities.

After several years of working with and seeing the needs of youth and their families, in September 1999, Ms. White felt led by God to develop the services Encouraging Words, Creative Sunsets, and Lay Aside Every Weight. These services fall under *IN HIS IMAGE*, an educational not for profit organization. Upon getting the call, Mrs. White enhanced her education by receiving a Dual Master of Arts Degree in Human Resource Development and Human Resource Management from Webster University. In 2002 she accepted a position at Calvary Christian School in Belton SC where she was mentored by Mr. Keith Mitchell. In 2004 she birthed King's Kids, Kingdom Communications, and Trinity Christian Educational School which are more services provided by *IN HIS IMAGE*.

Ms. White enjoys educating individuals, families, and communities and passionately does so through the six services provided by In His Image. When working with families, she often reminds parents of two of her sayings: "Adults never stop playing instead they learn to play by God's rules" and "children and youth should stay out of opposite sex relationships until they can answer the question, who are you?" Mrs. Beverly White's greatest desire is to be like Christ so that she can help others to be like Him as well, thus she humbly accepts God's call to be the Visionary of *IN HIS IMAGE*.

Bishop Craig and Lady Pender

When they moved to South Carolina they resided in Belton, SC and became members of Temple of Miracle and Deliverance under the leadership of Pastor/Prophetess Althea Marion and the Late Beatrice Marion for 7 years. The Lord laid upon Bishop Pender that it was time to stretch out in faith and scout out the land, so they began ministry.

Bishop followed the leading of the Lord who led him to Hartwell GA. There he was able to find a building and begin Agape Temple was established (now New Covenant Apostolic Holiness Church). Bishop and Elder Pender faithfully drove to Hartwell for Sunday Morning Services and Wednesday Night Bible Studies to do the work of the Lord.

Bishop Pender and Lady Pender had a broadcast on Thursday Nights at WANS AM where they played Praise and Worship Music, ministered, and prayed for those that would call in to the station. Many people were blessed, delivered, and set free. Bishop Pender also worked alongside the Late Reverend Cox during the Quartet Hour.

Bishop Pender is currently a DJ at WLAS Radio the Quartet Express Sunday -Friday Morning. Elder Pender is the Founder of Naomi Arise Ministries. This ministry was borne out through a lot of travail and having to sit under the tutelage of Apostle Linda Leverette. The ministry is called to Women young and old to bring healing, wholeness, deliverance, and bring women to know their identity in Christ Jesus.

Bishop and Elder Pender love the Lord and his people.

Bishop's Moto: I love you and you can't do nothing about it!!

Elder Pender Moto: But God!!!
